Have a happy and safe Halloween!

We have gotten right into writing. Students are sharing what the SOAR pledge means through writing, and sharing writing that explains – expository writing – why they love their favorite Pizza and topping. Kids who write more, and talk about their writing, will become better at it. Encourage writing at home. Frieswick's latest addition to our in-house

THOUGHT TO PONDER–

Your friendship and your education grow when you share them.

Looking for Parent Wisdom –

We would like you to share a thought about a way in which you have helped your child be part of the Golden Hill community, or how you have helped him/her succeed as a learner.

Email or drop off your wisdom – we'll share it!

Barry Burbank paid a visit to our 4th graders – we learned about weather and the hard work of being a meteorologist. Check the Website for pictures!

Some important Reminders:

If there is a change in dismissal for your child, it must be communicated by note or email – as soon as you know of the change. SAFETY IS CRITICAL.

Please notify the office of any changes in address or phone contacts, as soon as you know. If you have not done so, return the proof of residency form, thank you.
