

GOLDEN HILL

PAX IT UP!
November 2019

Meet our new Parent Liaison, Nimcy Guerra. Miss. Guerra has already made a positive impact on our school with her work.

We had a great turn out for our first Title I Night!

Thoughts From The "Chalkboard"

One thing our students and staff are working on is asking questions to promote deep thinking and discussion about important concepts and ideas.

To support our new Letterland k-2 Phonics program, the staff dressed up as Letterland characters!

IN THE NEWS:

Did you know some Golden Hill Students learn sign language with one of their classmates who is hearing impaired. Our kids are learning a new language!

THOUGHT TO PONDER—

A school is not a library of knowledge, is playground!

SCHOOL SAFETY, CLIMATE, AND CULTURE:

We are a PAX school. Our school is implementing the PAX model for making a healthy, kind, and safe school. We are starting to move forward with the "PAX Game," Tootles, and PAX Leaders.
